

1. The Lord Himself shall come And shout a quick-ening word:  
 2. Then as we up - ward fly, The res - ur - rec - tion word  
 3. There with un-wear - ied gaze Our eyes on Him we'll rest,  
 4. "Know-ing as we are known," How shall we love that word;

Thou - sands shall an - swer from the tomb: "For - ev - er with the Lord."  
 Shall be our shout of vic - to - ry, "For - ev - er with the Lord."  
 And sat - is - fy with end - less praise A heart su - pre - me - ly blest.  
 How oft re - peat be - fore the throne, "For - ev - er with the Lord."
