BIBLIOGRAPHY ON FISHERIES AND AQUACULTURE

Conference delegates,

The librarians of the SPC are pleased to offer delegates to the 4th Heads of Fisheries Meeting a ***Bibliography on Fisheries and Aquaculture in Oceania***. SPC Library also has an excellent collection of materials on fisheries in general. Please consult the library catalogue, at the website given below, for these publications. If you are interested in having a copy of any of the documents in this bibliography, please contact us as soon as possible. We can provide photocopies for you at the meeting. Certain of these items are also available directly from the SPC Publications Office.

Access to the library catalogue is at: www.spc.int/library
