Officials'
meeting

5th Pacific Regional Energy and Transport Ministers' Meeting

Online registration (if you are joining virtually)

- A zoom registration link will be shared on the website
- All remote participants will be required to register to this link if they wish to join the main and side events.
- Breakout group selections on the registration page will allow online participants to join side sessions remotely
- Unique links will be sent to every registrant at the beginning of every meeting day, and this must not be shared, they are unique to an individual.
- Head of delegations or presenters joining with individual devices and remotely are encouraged to use a headset with a built-in microphone.
- Mics will be closed but speaking rights will be allowed after you have raised your virtual hand and the Chair gives you the floor to speak or share your intervention.
