## PSSC-12 Agenda 10.1

### Meeting Paper Title: TYPSS Calendar of Major Statistical Events 2016-2020 and Country Support Plan

#### 1. Purpose of Paper

- To present TYPSS Calendar of Major Statistical Events 2016-2020 and Country Support Plan;
- To obtain PSSC decision on Recommendations.

#### 2. Background

In PSSC-10, the Coordination Unit was tasked, amongst others, to keep a calendar of regional statistics activities. By PSSC-11, the Coordinator was unable to deliver this as priority was given instead to instituting key processes to support efficient delivery of PSSC Meetings as well as strengthening of communications amongst the sub-region. Since then and in collaboration with NSOs, a TYPSS Calendar of Major Statistical Events 2016 - 2020, and a Country Support Plan has been developed. The Calendar sets out key statistical activities in the 4 sub-regions, and the Support Plan sets out the current status of support or support requests in the form of Partner assistance and/or national budget to deliver these activities. It also sets out common or recurring activities which can potentially be supported through South-South Cooperation initiatives. The Calendar and Support Plan will be kept up-to-date for PSSC Meetings.

#### 3. Activities for South-South Cooperation initiatives

Of relevance are statistical activities with potential for sourcing support from amongst fellow NSOs:

- 1) NSDS in FSM, Kiribati and Tokelau
- 2) Census activities

Opportunity is given to PSSC-12 and NSO to brief on the Calendar events and Support Plan to begin a discussion on support status and support requirements and South-South Cooperation initiatives.

#### 4. Key Recommendation

- 4.1. PSSC-12 to endorse the TYPSS Calendar of Major Statistical Events
- 4.2. PSSC-12 and Partners to note status and requests in the Calendar and Support Plan

#### 5. Annexes

- Annex I: TYPSS Calendar of Major Statistical Events 2016 - 2020  
Annex II: TYPSS Country Support Plan
