

# TEN YEAR PACIFIC STATISTICS STRATEGY Phase II

12<sup>th</sup> Pacific Steering Committee Meeting

Tanoa Waterfront Hotel, Lautoka, Fiji Islands

1<sup>st</sup> – 2<sup>nd</sup> June, 2016

## PSSC-12 Agenda 3.4

1. Process
2. Coordination Mechanism
3. Funding Approach
4. Alternative Funding Options
4. Key Considerations

## Process in Phase I

Mid-Term Independent Evaluation Report  
(23 June 2013)

Phase II Design Commissioned  
(October 2014)

Phase II Commences  
(DFAT & SPC Agreement February 2015)

## Coordination Mechanism

Phase I: SPC SDD in Noumea coordinates  
PSSC & Partners

Phase II: TYPSS Coordination Unit in Suva  
supports PSSC & Partner coordination

Phase III: ?  
Proposal by DFAT to return to SPC SDD

## Funding Approach

Phase I: SPC SDD budget

Phase II: TYPSS Coordination Unit in Suva  
funded by AusDFAT

Phase III: ?  
Proposal by DFAT to fund coordination  
within SPC SDD

## Funding Options for Coordination Mechanism for Phase III

Option 1: Pooled Partner funding – ALL or SOME Partners contribute to funding the coordination unit

Option 2: Partners & PSSC contribute to funding the coordination unit

Option 3: Proposal by DFAT to fund coordination within SPC SDD

## Proposed Considerations

1. Continue with established process
2. M&E work is already being undertaken
3. PSSC to decide on preferred coordination mechanism & funding options for Phase III
4. Commission Phase III Design, drawing from current M&E work & involving PSSC
5. Present final Phase III design to PSSC-13 for endorsement and for Partners' consideration
