

Annual Report on Student Performance & Enrollment

School Year: 2012-2013

Ministry of Education
Division of Policy & Planning
Republic of the Marshall Islands

Foreword

This small book provides a selection of data that can be regarded as important for getting a snapshot of education in the Marshall Islands. It is divided into two sections: Student Performance data and Enrollment statistics.

The section on Student Performance provides information on the degree of student achievement of learning objectives. The primary instrument for measuring student performance is the Marshall Islands Standards Assessment Test or MISAT, which measures student proficiency levels on selected important standards and benchmarks from the national curriculum. All students at grades 3, 6, 8, 10, & 12 at all schools in the nation are required to sit the test series.

At grades 3 & 6, the tests cover English Reading, Marshallese Reading, Math, and Science. At the 8th grade level, the tests are called the High School Entrance Test because one of its major functions is in selecting students to move on into the limited space available at the five public high schools. This test has sections on English Reading, Marshallese Reading, Math, Science, & Social Studies. At grades 10 & 12, the tests cover English and Math only.

The second section provides basic information on school enrollment statistics as well as disaggregation into various important categories.

It is hoped that the information herein will serve usefully as reference material, a source of information for general understanding of the RMI education system, and a tool for planning.

- 1) Total Proficiency at 30% or more: 4 points
- 2) Total Proficiency at 20% or more: 3 points
- 3) Total Proficiency at 10% or more: 2 points
- 4) Total Proficiency at 5% or more: 1 point
- 5) Total Proficiency below 5%: 0 point

II. MISAT Progress (for schools having Total Combined Proficiency under 40%): Each point multiplied by 2

- 1) Total Combined Proficiency improvement by 10% or more: 4 points
- 2) Total Combined Proficiency improvement by 5% or more: 3 points
- 3) Total Combined Proficiency improvement by 1% or more: 2 points
- 4) Total Combined Proficiency improvement less than 1 %: 1 point
- 5) Negative Progress: 0 point

III. 8th grade Passing Rate:

- 1) Above 75%: 4 points
- 2) Above 50%: 3 points
- 3) Above 25%: 2 points
- 4) Below 25%: 1 point
- 5) No Passing Student: 0 point
